

Important Notice Regarding Rowmark Distribution

April 14, 2016

Dear Customer,

This letter is to inform our customers that B.F. Plastics, Inc. is no longer a distributor for Rowmark engraving materials.

During the summer of 2015, many of our customers requested that we also carry the Duets by Gemini line of engraving materials. As an independent family owned business, we decided to add Gemini to our line with the intention of selling both Rowmark and Gemini.

As a result of our choice to sell a competitive product, Rowmark sent us a *"Termination of Distribution Arrangement"* on March 30, 2016 effective the next day, March 31, 2016.

We will continue to sell the Rowmark stock we have until our inventory is depleted.

As an alternative to Rowmark, we are pleased to offer the Duets by Gemini, a high quality material at a fair price. For more information or to request samples, please call us at 1-800-866-7121 or visit our website at www.bfplasticsinc.com/gemini.

If you have any questions, please call or email us info@bfplasticsinc.com.

Thank you.
