Release Date: January 24, 2017

Winter 2017

Greetings!

As we begin a new year, we would like to thank you for a wonderful 2016. We anticipate that 2017 will bring with it more exciting new products and services. We are committed to continue providing you with exceptional service as we have done for over 60 years. Cheers to 2017!

Sincerely,

Jim Fichter,

President

Get to know Ron...

Need assistance with an engraving or signage project? For over 30 years, Ron has been managing our Custom Fabrication department and has utilized his attention to detail and dedication skills bringing quality to this service. Along the way he has been learning new techniques and keeping up with technology trends to help reduce labor costs for our customers. From custom shapes to beveled edges, Ron has done it all and makes sure that our customers get the best results every time.

In his free time he enjoys nature and outdoor life with his wife Cindy. Whether it's hitting the hiking trail or biking, they love the outdoors. They particularly enjoy traveling out West to see some of their favorite scenic sites such as the Badlands and Blackhills in South Dakota and the Rocky Mountains in Colorado. Ron and Cindy will be celebrating their 40th wedding anniversary this year. They have two children and

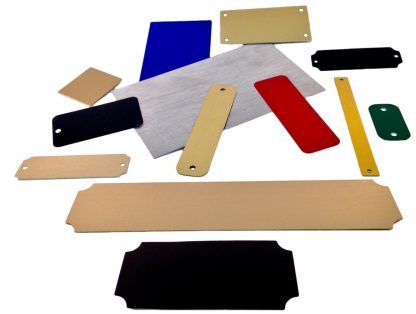

enjoy spending time with them and their grandchildren.

New 3M Polyester Film Sheet Tape Now in Stock

We've recently introduced a new 3M Polyester Film Tape sheet stock in 12" x 24" size. A-25 acrylic adhesive on both sides of a clear polyester film which provides increased stability and easier handling. The new 9500PC-SH has a release liner on both sides so it can be purchased in sheet form instead of rolls. High temperature, solvent and UV resistance. High performance joining and bonding for metals and plastics used for permanent mounting signage applications.

Can be purchased in individual sheets.
